

Red Wine 2019 . Douro DOC . Portugal

The Fora da Lei (Outlaw) range is produced from traditional Douro Valley grape varieties grown on our own estates, located at Santa Marta de Penaguião (Baixo Corgo sub-region of the Douro Valley).

Wine: Fora da Lei (The Outlaw)

Style: Douro . DOC . Red Wine

Year: 2019

Soil: Schist

Grape Varieties: Touriga Nacional, Touriga Franca and Tinta Roriz.

Winemaking: The bunches were hand picked in 20kg containers. Following hand sorting the grapes were de-stemmed and transferred to traditional lagares where they were treading by foot during the first week, for fermentation.

Ageing/Bottling: The wine has been stabilized in stainless steel vats at controlled temperature, with oxygen and filtered before bottling in December 2020.

Tasting notes: Ruby colour and gentle aromas; good structure with red fruits flavours; silky tannins well balanced with vibrant acidity; harmonious wine with a long finish.
